Handle, ex-handle(s):
Captain EMU

Name, birthday, origin:
Christian Eberle, * 27. November 1978, Allg äu - Germany

What motivates you to spend time on the scene?:
The Demoscene is the most interesting art-scene! I like digital art and most sceners are very nice people. Also the parties are great.
It's a unique feeling.

What is your favorite color?:
red, no blue!!!

On what platform(s) did you begin your computing journey, and when was this?:
Windows 98

What platform(s) do you use now?:
Windows 7

Which graphician, in and outside the demoscene, inspirated you the most?:
Hans Werner Sahm

What's the procedure when you start a new picture?:

When there are about two weeks left until the next parties, the lazy pig-dog inside surrenders and I begin creating a new piece of art (omh   )

What drawing/3d program are you using the most to express yourself? Why?:
Photoshop, because it's easy to work with.

Do you draw on any other platforms beside computers? (Painting, Graffiti etc):
no

What is your favorite demo, intro, megademo, retrogame, slideshow, musicdisk, diskmag, wilddemo?:
Elevated by RGBA, most demos of Farbrausch and ASD

What platform(s) needs more demos?:
Games

Which parties do you intend to go to, and which parties would you like to go to? Please describe your personal experiences with your most favourite or impressive party you have ever been at:
Buenzli, TUM. Breakpoint 2010 was a great experience.

Finally, do you have some special greetings? Feel free to add links to your graphics, screenshots of effects, modules or other pieces of your work:
Greetings to all demosceners in the world.
